LOCATION MAP - REGIONAL

§ 220-18. Central Business District (CBD).

- A. Purpose. The purpose of this zone is to provide basic convenience commercial goods and services to local residents who live in the Borough. Uses have been limited to those that residents are likely to need on a daily or regular basis. Overall, retail size has been restricted to prevent the establishment of intensive commercial uses that exceed the local pedestrian orientation of this zone and to encourage the adaptive reuse of converted historic dwellings rather than the construction of new commercial buildings. Requirements have been imposed to preserve the "small-town" character of this area and reflect the tightly knit land use pattern that exists within the Borough. Limited exterior activities have been allowed to contribute to the vitality and diversity of this area.
- B. Permitted uses.
- (1) Single-family detached dwellings and duplexes, subject to the requirements listed in § 220-17 of this chapter.
 - (2) Public and nonprofit parks and playgrounds.

 - (1) Retail sales, services and/or rental of goods in excess of 2,000 square feet. (See § 220-96.)
- E. Minimum lot area. Unless otherwise specified, there shall be no minimum lot area requirements in this zone.
- F. Number of uses permitted. Any number of the uses allowed in this zone is permitted within a building. **[Amended 7-12-2011 by Ord. No. 622]**
- G. Minimum lot width: 45 feet.
- H. Minimum setback requirements. No required front, side or rear yard setbacks apply, except where the use adjoins a residential zone. In such instances, all buildings and structures shall be set back at least 10 feet from the residentially zoned parcel. Similarly, off-street parking and/or loading facilities shall be set back at least five feet from any adjoining residentially zoned property and shall include screening, as defined herein.
- I. Maximum permitted height: 35 feet.
- J. Maximum lot coverage: 90%.
- K. Outdoor storage and display. No outdoor storage is permitted; however, outdoor displays for retail merchandise shall be permitted per use in the front or side yards or sidewalk area. Outdoor displays may include tables, clothing or other display racks, bins, and sandwich signboards that meet the regulations of § 220-36 of this chapter. Outdoor displays shall be located such that there is clear sidewalk area of at least four feet in width for pedestrians to pass by. Outdoor displays shall not exceed an overall length of 15 feet nor an overall height of six feet. Outdoor displays shall only be exhibited during the use's business hours. **[Amended 7-12-2011 by Ord. No. 622]**
- L. Off-street parking and loading.
 - (1) No off-street parking spaces are required for nonresidential uses within the CBD Zone.

2. Editor's Note: Original Subsection G, Boardinghouses, which immediately followed this subsection, was repealed 7-12-2011 by Ord. No. 622.

Where off-street parking is provided, however, it shall meet all applicable provisions of this subsection. Required off-street loading spaces shall be determined by § 220-34K of this chapter. Such off-street parking and loading areas shall be located behind any commercial building in the rear yard. Off-street parking and loading space areas may be provided on an integrated basis so that adjoining uses are physically interconnected and share available parking and loading spaces. Vehicular access to such areas shall be via common access drives. Cross-access easements to ensure such integration shall be required in language acceptable to the Borough's Solicitor. For the purposes of this section, the schedule of required parking spaces listed in § 220-33S and the reduction of required parking spaces provided for by § 220-33Q shall not apply. However, all other design standards shall be enforceable. **[Amended 11-12-2019 by Ord. No. 667]**

- (2) In addition to the above-described off-street parking, on-street parking shall be provided where permitted as parallel or angled parking along any side of the street upon which commercial uses front.
- M. ³Driveway and access drive requirements. All driveways serving single-family dwellings and access drives serving other uses shall be in accordance with § 220-32 of this chapter.
- N. Landscaping. Any portion of the site not used for buildings, structures, parking lots, loading areas, outdoor storage areas and sidewalks shall be maintained with a vegetative ground cover and other ornamental plantings. (See § 220-35.)
- O. Waste products. Dumpsters may be permitted within the side or rear yard, provided such dumpsters are screened from any adjoining roads and/or properties. All dumpsters shall be set back a minimum of 10 feet from any adjoining residentially zoned properties. All waste receptacles shall be completely enclosed within a masonry or fenced enclosure equipped with a self-latching door or gate.
- P. All uses permitted within this zone shall also comply with the applicable general provisions in Article III of this chapter.
- Q. Commercial operations standards. All commercial operations shall be in compliance with any Commonwealth of Pennsylvania and/or federal government regulations, as required by the most recent regulations made available from these governmental bodies.

3. Editor's Note: Former Subsection M, regarding outdoor signs, was repealed 9-27-2022 by Ord. No. 678, this ordinance also renumbered former Subsections N through R as Subsections M through Q, respectively..
