If a zoning district is not listed in the above table, it means that none of the uses listed on that table are allowed in that zoning district, unless specifically permitted otherwise.

- (1) In all districts, an existing corner storefront shall not be converted to any residential unit or use.
- (2) In the CB1 District, a residential use of any type shall not be permitted on the street level of a building, with the exception of an existing single-family dwelling as of the date of adoption of this chapter.
- (3) A certificate of zoning compliance shall be issued or a special exception shall be granted for the conversion of a structure below the minimum gross square foot threshold only if the following conditions are met:
 - a. Where the structure contains one or more nonresidential uses and is not a single-family dwelling, conversion of the nonresidential space to one or more dwelling units will be permitted, provided the requirements of Article VI, Article VIII, and all other applicable provisions of this chapter are satisfied; and

ZONING ORDINANCE

ZONING

- b. If the building is located in the Historic Resource Overlay District and the proposed conversion of the nonresidential space to residential use will result in exterior alteration of the building visible from a public street, the applicant shall provide a letter from the Historic Preservation Specialist prior to the zoning hearing stating that the alteration is appropriate and consistent with the Secretary of the Interior standards and will have no adverse impact on the historic resource nor on the streetscape and immediate neighborhood.
- (4) A preliminary architectural sketch or rendering shall be provided that illustrates the appearance of the exterior of any proposed new building from all streets, and describes the types of exterior building materials. This requirement shall only apply if the building will not be subject to exterior design approval under the Historic District or Heritage Conservation District Ordinances.
- (5) A certificate of zoning compliance for a manufactured dwelling shall not be issued unless the following conditions are met:
 - a. The primary entrance of the dwelling shall face the front lot line;
 - b. If the dwelling will be located in a Historic Resource Overlay District, the applicant shall provide evidence of issuance of a certificate of appropriateness from Lancaster City Council to the Zoning Hearing Board for any dwelling proposed in the City of Lancaster Historic District or Heritage Conservation District;
 - c. The dwelling shall be constructed in accordance with the National Manufactured Housing Construction and Safety Standards Act of 1974 or the Pennsylvania Industrialized Housing Act of 1972, or such successor standards;
 - d. The dwelling shall be installed in accordance with the Uniform Construction Code and approved by the City of Lancaster Building Official, and which includes a perimeter enclosure around the unit that has the appearance of a perimeter foundation; and
 - e. All wheels, axles, transportation lights and towing apparatus shall be removed.
- (6) A certificate of zoning compliance for a no-impact home occupation shall not be issued unless the following conditions are met:
 - a. The activity shall be operated solely by the occupants of the dwelling;
 - b. Not more than 25% of the gross floor area of the dwelling shall be devoted to the activity;
 - c. There shall be no sale of commodities on the premises;
 - d. There shall be no external evidence of the activity nor any changes to the exterior of the dwelling because of the activity;
 - e. The activity shall be limited to office or other low-key activities, including but not limited to telephone and computer work, sewing, and arts and crafts;
 - f. The activity shall not involve visits by clients, customers, sales representatives, students, or others;
 - g. The activity shall create no noticeable noise, odors, dust, smoke or vibrations, or objectionable refuse;
 - h. The activity shall not require the delivery of commodities by commercial truck at a frequency in excess of once per week;
 - i. No vehicle of 9,500 pounds or greater shall be stored on the premises nor parked in the public right-of-way; and
 - j. No accessory building shall be used except for routine accessory storage, and no required garage parking space may be displaced by the use.
- (7) A special exception for a general home occupation shall not be granted unless the following conditions are met:
 - a. The activity shall be operated by the occupants of the dwelling with the assistance of not more than one employee;
 - b. One off-street parking space shall be provided on the premises for the employee;
 - c. Not more than 25% of the gross floor area of the dwelling shall be devoted to the activity;
 - d. There shall be no sale of commodities on the premises;
 - e. There shall be no external evidence of the activity except for one sign, as provided for in Ch. 255, Signs, of the City Code;
 - f. The activity shall create no objectionable noise, odors, vibrations, dust, smoke or refuse;
 - g. The activity shall not generate an unreasonable flow of pedestrian or vehicular traffic, including delivery vehicles;

ZONING ORDINANCE

LANCASTER CODE

- h. No vehicle of 9,500 pounds or greater shall be parked in the public right-of-way nor stored on the premises except in a garage, and provided that the required parking for the occupants' personal vehicle(s) is not eliminated;
 - i. The need for additional parking spaces shall be determined by the Zoning Hearing Board; and
 - j. The activity shall not occur within the vehicle storage area of any garage and shall in no way prevent or interfere with the parking of vehicles in a garage.
- (8) In the R1 and R2 Districts, a nonfamily unit shall meet the following additional requirements:
- a. The nonfamily unit shall be occupied by at least one owner of record of the property;
 - b. Under § 300-41, two off-street parking spaces are required per nonfamily unit. If there is already a lawful grandfathered deficit of one space, then one new space shall be provided; and
 - c. A nonfamily unit shall only be allowed within a single-family detached dwelling, a single-family semidetached dwelling, or a single-family attached dwelling.
- (9) The lot shall be limited to a maximum of six rental units. Each rental unit shall not be occupied by more than two persons over age 18. See habitable floor area requirement in § 300-30.
- (10) The lot shall be limited to a maximum of 20 rental units. Each rental unit shall not be occupied by more than two persons over age 18. See habitable floor area requirement in § 300-30.
- (11) Multifamily dwellings may be combined in the same building with types and sizes of commercial uses that are allowed in the zoning district, provided the commercial uses are on the street level floor. See also off-site parking option in § 300-44G.
- (12) Live-work units shall include an allowed family dwelling or nonfamily unit that can be combined with one of the following uses: an office, a personal service use, an art gallery or studio with accessory retail sales of art, musical or art instruction for up to five persons at a time, or preparation of food for off-site catering. The nonresidential use shall be conducted by one or more of the occupants of the dwelling. See also the provisions for live-work units in the Uniform Construction Code, which may limit the number of nonresident employees and the total size of the unit.

- (1) A special exception for commercial—retail uses permitted in the R3 and R4 Districts shall be granted only for retail uses located in corner properties or existing storefronts. A reduction in required parking for corner properties may be granted by special exception pursuant to § 300-11C, Commercial storefronts.
- (2) A special exception shall be granted or a certificate of zoning compliance shall be issued for a convenience store/mini-market or a grocery/general store only if the following conditions are met:
 - a. At least 50% of the gross floor area is devoted to food products; and
 - b. The applicant shall install and maintain an exterior litter receptacle, intended for public use, in a location and with a design approved by the City Engineer.
 - c. A grocery or general store shall not be open for business before 5:00 a.m. or after 11:00 p.m.
- (3) If an eating and drinking establishment will specialize in take-out sales, the applicant shall install and maintain an exterior litter receptacle, intended for public use, in a location and with a design approved by the City Engineer.
- (4) A special exception shall be granted or a certificate of zoning compliance shall be issued for a vending cart or truck only if the following conditions are met:
 - a. The vending cart or truck shall be used only for the sale of food products or natural products;
 - b. The vending cart or truck shall be placed in a fixed location on private property, as shown on a site plan, with the prior written permission of the property owner;
 - c. The vending cart or truck shall remain a portable vehicle capable of being moved at any time from the property;
 - d. The vending cart or truck shall comply with the design standards set forth in City Code § 291-10, Neighborhood vending cart and vending truck design standards;
 - e. The vending cart or truck shall not be placed within the public right-of-way, except that a mobile food truck, as defined by City Code Ch. 240, Art. III, Mobile Food Trucks, shall be permitted in the public right-of-way as regulated by Ch. 240, Art. III;
 - f. The vending cart or truck shall be situated in a manner that avoids blockage of the public sidewalk by customers;
 - g. Neither the vending cart or truck nor any related sign, display, or other appurtenance shall be located in any required off-street parking space on the premises;
 - h. The applicant shall provide a litter receptacle, intended for public use, on the premises near the vending cart or truck;
 - i. The cart or truck vendor shall make no loud noises, including hawking, or use sound-amplifying devices to attract attention to his/her business.
 - j. The hours of operation shall be limited to 8:00 a.m. to 9:00 p.m. in residential zoning districts, or to such hours imposed by the Zoning Hearing Board, and from 7:00 a.m. to 1:00 a.m. in nonresidential districts;

ZONING ORDINANCE

- k. The maximum sign area for a vending cart or truck shall be 12 square feet, which shall have no impact on the maximum sign allowance for other uses on the property;
 - l. The applicant shall receive all necessary licenses and certifications for the sale of food and natural products as required by state and local statutes and regulations;
 - m. The applicant shall maintain a current cart or truck vendor license, issued by the City of Lancaster Health Officer, at all times; and
 - n. The cart or truck shall be set back a minimum of 50 feet from the lot line of any principal residential use, which shall be increased to 100 feet if the use involves outdoor barbeque grills or generators.
- (5) A certificate of zoning compliance for a wholesale and/or discount warehouse store in the SM District shall not be issued unless evidence is presented that the following conditions have been met:
- a. The lot shall be located within 500 feet of a Route 30 Bypass access ramp;
 - b. No more than one wholesale and/or retail discount warehouse store shall be permitted on a lot nor shall a wholesale and/or retail discount warehouse store be permitted within 5,000 feet of another wholesale and/or retail discount warehouse store within the SM District;
 - c. The use shall comply with the Noise Control Ordinance, Chapter 198 of the Codified Ordinances of the City of Lancaster, as amended;
 - d. Any lighting used to illuminate any parking or loading areas or to illuminate any structures shall be so arranged as to reflect the light away from and not cause or create any glare, reflection, or illumination upon any abutting residential districts or properties and any abutting public rights-of-way;
 - e. The percent of maximum building coverage shall not exceed 50%;
 - f. Where the proposed use is on a lot abutting a residential zone within the City or neighboring municipality, the rear and side yard setbacks along the abutting property line shall be a minimum of 30 feet, and no accessory structures or paved areas shall be permitted in this setback area;
 - g. A minimum of 15% of the lot shall be landscaped with shrubs, ornamental trees and shade trees; and
 - h. Where the lot abuts or is across the street from a residential zoning district, a landscape screen shall be planted within the required yard area, provided that a twenty-five-foot sight triangle at corners and a five-foot sight triangle at driveways are maintained. The landscape screen shall be composed of evergreen shrubs and trees arranged to form both a low-level and a high-level screen and shall be permanently maintained by the owner of the lot. The high-level screen shall consist of evergreen trees of not less than six feet in height at the time of planting and planted at intervals of not more than 10 feet. The low-level screen shall consist of evergreen shrubs of not less than two feet in height at the time of planting and planted at intervals of not more than five feet.

- (c) Any motor vehicle that is not in operable condition shall not be stored for more than 30 days within view of a public street or a dwelling, unless it is actively under repair; and
- (d) Service bay doors shall not face directly towards an abutting dwelling (not including a dwelling separated from the garage by a street) if another reasonable alternative exists.
- (2) A special exception shall be approved or a certificate of zoning compliance granted for commercial-service uses permitted in the R3 and R4 Districts only for uses located in corner buildings (at the intersection of two of more public streets) or in existing lawful commercial spaces. For uses permitted by right in the R3 and R4 Districts, the hours of operation shall be limited to 8:00 a.m. to 9:00 p.m. Hours of operation prior to 8:00 a.m. or after 9:00 p.m. require special exception approval by the Zoning Hearing Board.
- (3) Certain commercial service uses shall be permitted in the CM District in accordance with § 300-11B, Mixed-use facility.
- (4) In the CB1 District, this use shall not be permitted on any ground floor or street level of a building.
- (5) A certificate of zoning compliance shall be granted subject to the following: (a) The applicant shall provide the Zoning Officer with a family child day care home certificate of registration from the Pennsylvania Department of Public Welfare; and (b) the hours of operation shall not exceed 5:00 a.m. to 12:00 midnight. Additional hours may be approved by special exception if the applicant proves to the Zoning Hearing Board that such hours will be compatible with adjacent dwellings. An exterior sign for a day care home shall not exceed eight inches by 24 inches or 1.3 square feet.
- (6) A special exception shall be approved or certificate of zoning compliance granted for parking facilities in accordance with § 300-44B, Parking in Historic Resource Overlay District, of this chapter.
- (7) A special exception shall be approved or a certificate of zoning compliance granted for self-service laundries, conditioned on City approval of water and sewer capacity for proposed new or expanded laundries.
- (8) (a) The dwelling must be registered with the City of Lancaster as a rental unit, with inspection of the property by a City Housing Inspector prior to registration approval.
 - (b) A property manager must be identified, and the name and contact information shall be provided to the City's Housing Unit.
 - (c) The maximum length of stay per registered party shall be 30 consecutive days.
 - (d) The entire dwelling shall be rented in the name of one individual, who represents the entire family or group renting the dwelling during the reserved time period.
 - (e) The number of guests in one party shall not exceed two adults per bedroom.
 - (f) No exterior or interior sign intended to be seen by the public shall be permitted.
 - (g) The dwelling unit must qualify as a single-family home or apartment, as defined in Chapter 300, Article XVII, Definitions, of this chapter.
- (9) (a) The homeowner shall serve as the sole property manager and provide contact information to the City's Housing Unit.
 - (b) The property owner must be residing in the dwelling unit for the duration of the rental.
 - (c) The maximum length of stay per registered party shall not exceed 30 consecutive days.
 - (d) The number of guests in one party shall not exceed two adults per bedroom.
 - (e) No exterior or interior sign intended to be seen by the public shall be permitted.
 - (f) Guests must have use of a bathroom and kitchen for the duration of the rental.
 - (g) Structures with only two bedrooms may only dedicate one bedroom as a homestay.

NOTES:

- (1) A special exception shall be approved for a church, synagogue, mosque, or temple or other place of worship only if the following conditions are met:
 - a. In all districts, a church or other place of worship that occupies a portion of a building in which a residential unit is located or that is located in a building less than 10 feet from a structure containing a residential unit shall be soundproofed so as to prevent sound greater than a level of 40 decibels at all audible frequency ranges of all sound sources from being received by an adjoining or neighboring residential unit;
 - b. No exterior loudspeakers shall be used to broadcast music or human voices, except that church bells, chimes or other religious summons or holiday music shall be permitted;
 - c. If the building is located in the Historic Resource Overlay District and the proposed place of worship will result in exterior alteration of the building visible from a public street, the applicant shall provide a letter from the historic preservation specialist prior to the zoning hearing stating that the alteration is appropriate and consistent with the Secretary of the Interior's standards and will have no adverse impact on the historic resource nor on the streetscape and immediate neighborhood;
 - d. The minimum lot area for a new place of worship in the R3 or R4 District shall be 10,000 square feet; and
 - e. In the CB1 and CB Districts, such use shall not occupy the street level of a building.
- (2) See also the CO Campus Overlay District regulations, which provide an alternative set of standards for college uses within the boundaries of that district: § 300-19, CO Campus Overlay District – permitted uses; § 300-21, CO Campus Overlay District – dimensional requirements; and § 300-54M, Signs permitted in the CO Campus Overlay District.
- (3) Certain institutional uses shall be permitted in the CM District in accordance with § 300-11B, Mixed-use facility.
- (4) A special exception shall be approved for a community rehabilitation facility or halfway house only if the following conditions are met:
 - a. The applicant shall indicate the nature of the clients to be served and the type of treatment/care to be provided, including whether or not any counseling or other services will be provided for nonresidents;
 - b. The applicant shall provide evidence that the facility is licensed by an applicable county, state or federal program. The facility shall notify the City, in writing, within 14 days if there is a change in the type of clients or the maximum number of residents, or if the license expires, is suspended or withdrawn;
 - c. If the facility is a temporary residence for the clients, the maximum number of clients shall be indicated at the time of application, and that number, not including employees, shall not exceed the minimum space requirements contained in the Uniform Construction Code, as amended by the City of Lancaster;

ZONING ORDINANCE

ZONING

- d. The facility shall have twenty-four-hour on-site supervision by professionals trained to supervise the types of clients to be served by the facility;
 - e. If a facility will house persons presenting a potential physical threat to the safety of nonresidents, the facility operator shall provide evidence that sufficient staffing and other security measures will be provided;
 - f. The facility shall be located a minimum of 1,000 linear feet from any other such existing/approved facility; and
 - g. If the facility is within a residential district, the building shall be maintained and/or constructed to ensure that it is similar in appearance, condition and character to the other residential structures in the area, and only a sign as provided for in Article IX shall be permitted.
- (5) A special exception shall be approved for a group care facility only if the following conditions are met:
- a. The applicant shall indicate the nature of the residents to be served and the type of treatment/care to be provided, including whether or not any counseling or other services will be provided for nonresidents;
 - b. The applicant shall provide evidence that the group care facility is licensed by an applicable county, state or federal agency. The group care facility shall notify the City, in writing, within 14 days if there is a change in the type of residents or the maximum number of residents, or if the license expires, is suspended or withdrawn;
 - c. The maximum number of residents shall be indicated at the time of application, and that number, not including employees who do not reside at the facility, shall not exceed the minimum space requirements contained in the Uniform Construction Code, as amended by the City of Lancaster.
 - d. See § 300-68H, which may allow modifications to zoning requirements to be approved as a special exception by the Zoning Hearing Board.
- (6) A certificate of zoning compliance shall be issued for a group home only if the following conditions are met:
- a. The group home shall be occupied by individuals with disabilities, as defined and protected by the Federal Fair Housing Act, as amended, who shall live together primarily for purposes relating to their disabilities as the functional equivalent of a family in a shared living arrangement;
 - b. No more than six people, including caregivers, shall occupy the home, and the residents shall function as a common household, except that a higher number may be approved by the Zoning Hearing Board under § 300-68H;
 - c. The home shall be licensed by the appropriate county, commonwealth or federal agency; and
 - d. In the MU, CB1, CB, C1, C2, and CM Districts, group homes shall be permitted only in existing buildings; no new construction of a group home shall be permitted.
 - e. See § 300-68H, which may allow modifications to zoning requirements to be approved as a special exception by the Zoning Hearing Board.
- (7) A special exception shall be approved for a homeless shelter only if the following conditions are met:
- a. The applicant shall provide letters from appropriate City codes staff, including, at a minimum, Building or Housing Code enforcement staff and the Fire Marshal, that the structure has been inspected within the past two months and that it meets minimum code requirements for the intended use;
 - b. The maximum number of residents shall be indicated at the time of application, and that number, not including employees, shall not exceed the minimum space requirements contained in the Uniform Construction Code, as amended by the City of Lancaster.
- (8) All development, including expansion, in the HC District shall comply with provisions of Article VII, Supplementary District Regulations, § 300-38, Hospital Complex District.
- (9) In the CB1 District, this use shall not be permitted on the street level of a building.
- (10) A special exception shall be approved for a shelter for abused persons only if the following conditions are met.
